
WELCOME!

Dear New Neighbor,

Welcome to Chesterfield Mews! We hope that you will enjoy living in this community as much as your neighbors do.

Our neighborhood is an increasingly diverse community of long-time residents, new arrivals, families, and young professionals. The Mews offers an ideal combination of privacy, natural beauty, and proximity to recreation, shopping, and entertainment.

The Mews was built in several sections from 1975 (Colchester Brook) through 1980 (the east side of Readsborough Court). Your neighbors have come to this community and stayed for a number of reasons: the quality and design of the homes, the natural setting with woods and parkland nearby, nationally ranked schools, and the neighborhood's overall attractiveness, safety, and quality. Whatever reason or reasons brought you here, we are confident that you will enjoy being part of the Mews community.

This package provides you with information regarding the community and the surrounding area. The community's website, www.inthemews.com, also is an excellent source of information and timely notifications about the community. On the website, you can find the architectural control guidelines, meeting notices, announcements of community activities, board meeting minutes, and other important information. We also publish a quarterly newsletter with up-to-date information.

On behalf of the Chesterfield Mews Community Association and all of your neighbors, welcome to the Mews. Please let us know if there's anything we can do to help you in your new home and community. You can use the "Contact Us" option on the website to submit requests and suggestions to the Association's Board of Directors for their consideration.

Sincerely,

The Chesterfield Mews Community Association
